Still going strong – thanks to Jill, Chris and Marion.
The history of the garden was reviewed. Initially, each flat had a piece of land allocated as an allotment. The current garden was formed from four of these plots. All the residents of School Lane are members of the Community Association, but most have not taken up their option to use the Community Garden, as they have enough garden space with their own properties. Paul (No 9) expressed an interest in taking on a part of the current garden.

WDC are currently checking what land is being used - contact to be made with Jayne Bravery (WDC Housing) regarding a lease for the garden and what land was to be included.

- 8 Home Improvements: Front door frame to no 9 is moving. Front door to no 13 also needs attention.
- 9 Any other business: Lease for the garden to be arranged as part of WDC updating their records (see point 7). This will be on a no charge basis.

Date of next meeting: Tuesday 25th July 2017, at 7.00 pm, in the Community Garden (or if wet at 13 School Lane). This will be the AGM.

The meeting closed at 16.45 hours.
